How to reach NIAS:

NIAS is located approximately 40 km from the centre of Amsterdam, 30 km from Schiphol Airport, 16 km from the Central Station in Leiden, 6 km from the railway station in Voor- schoten, and 14 km from the Central Station in The Hague. The distance from the Institute to the village of Wassenaar is 2 km. The institute is situated in the residential area »Rijksdorp«. NIAS can be reached by taxi from most of these points, but given the distances involved it is rather expensive. Nevertheless, when travelling to NIAS from the airport (with heavy luggage) the best solution is to take the train to Leiden and a taxi from there.

By bus:

From The Hague CS:

There is a half hourly bus service from the central railway station in The Hague to Haarlem, Line 90. Get off at the stop Van Bronckhorstlaan, Rijksdorp, Wassenaar. After office hours and on Sundays and public holidays the frequency of this bus service is reduced to one every hour.

From the central railway station in Leiden one can take the half hourly bus service in the direction of The Hague, Line 43. At the stop Van Oldenbarneveltweg change to Line 90 in the direction of Haarlem. Get off Line 90 at the stop Van
